

## Welcome to Ecster

Ecster offers companies the opportunity to accept payments and acquire satisfied returning customers, regardless of where the transactions take place. For consumers, we can offer good buying experiences, increased flexibility and better control of day-to-day finances.

### **About us**

Ecster has 150 employees and the head office is in Stockholm. We co-operate with thousands of merchants across Sweden and offer payment solutions for both e-commerce and physical stores. We have developed and refined our products within Handelsbanken Finans for more than 60 years.

Today, as Ecster, we offer a broad range of payment methods which gives consumers the opportunity to finance everything from small everyday purchases to larger investments through our new concept - din nya plånbok (Your new wallet).

Welcome to Ecster!

Ecster is part of Svenska Handelsbanken AB. The lender is Handelsbanken Finans.
